

Catering For Nurseries.

Autumn / Winter Tea Menu 2015

We take healthy cooking seriously.

The Little Tykes menu is packed full of locally sourced fruit, vegetables, meat, fish and organic pulses. Our devoted chefs only use healthy-cooking techniques such as; baking, braising, broiling, grilling, steaming and poaching to create highly nutritious, great tasting meals.

Ready to serve, mouth-watering dishes.

Hot lunches & desserts are prepared on the day of serving so food is of the highest quality and freshness. Food is transported in temperature controlled containers so our meals will stay hot until your ready to serve. We aim to deliver within 90 minutes before serving. Contact us for more information on the areas we cover.
